THE RIGHT FIT

Who Its For

We partner exclusively with Entrepreneurs, Business Owners, CEOs, and Executives of service-based companies. Whether you are a growth-stage startup or an established firm, we help you transition from being the "bottleneck" to becoming the visionary leader your company requires to reach the next level.

Does this sound like your current problem?

Inefficient Operations

You're losing precious time and money to manual processes and redundant workflows.

Lack of Direction

There is no clear vision or documented strategy, leaving the team moving in different directions.

Leadership Friction

Communication breakdowns, indecisive action, and unresolved conflicts are slowing down your momentum.

OUR STRATEGIC SOLUTIONS

How We Help You WIN!

As your Business Strategy Consultant, we don't just hand you a 100-page slide deck and disappear, we roll up our sleeves and work alongside you to transform your organization from the inside out.

How we help you win:

- Build a Clear Vision & Strategy: We'll define your "North Star" and map out the exact tactical path to reach it.
- Hold You Accountable: we don't just plan, we ensure you and your team execute. I am the partner who makes sure the work actually gets done.
- Identify & Solve Bottlenecks: We'll find the hidden "clogs" in your business engine and clear them for good.
- Optimize Operations & Workflows: We'll help you streamline your daily operations, turning chaos into a lean, predictable machine.
- Become a Better Leader: Through direct advisory, We coach you to master communication, sharpen your decision-making, and resolve conflict with authority.

ABOUT ME

Person Behind Consilium Dynamics

I'm Vahab Hasiri, founder of Consilium Dynamics and a former COO who helps Fintech, SaaS, and service companies scale through clear strategy and disciplined execution.

Most growth initiatives fail because teams act before diagnosing the real constraints. I bring clarity to decisions, accountability, and process flow, then build an operating system your team will actually run, so growth is predictable and the business performs without constant oversight.

ADVISORY ENGAGEMENTS

Strategic Advisory for Leaders Facing Real Complexity

Our work is advisory at its core. We support founders and executives through high-stakes decisions, organisational complexity, and leadership challenges as their businesses scale.

Executive Advisory

A private, ongoing advisory relationship focused on leadership judgment, decision-making, and organisational clarity. Designed for leaders carrying pressure at the top who need a trusted thinking partner.

[LEARN MORE](#)

Strategic Advisor

Longer-term strategic advisory for CEOs of growing companies. We work through strategy, operations, leadership, and structural decisions without embedding into daily execution.

[LEARN MORE](#)

Group Advisory

A curated advisory group for business owners facing similar leadership and scaling challenges. Guided discussion, shared perspective, and practical strategic frameworks.

CLIENT PERSPECTIVES

Trusted by Leaders in Critical Moments

Daniel Foster
DIRECTOR

"Working with Vahab felt like having a strategic sounding board at the highest level. He helped me separate emotion from data, identify the real risks, and make a decision aligned with long-term goals. The clarity I gained was invaluable."

THE BOOK

The Rubicon Leader

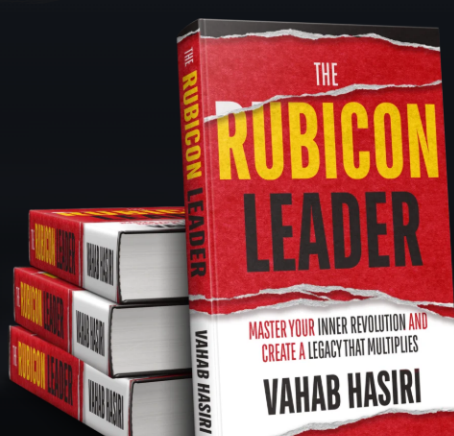

I'm Vahab Hasiri, founder of Consilium Dynamics and a former COO who helps Fintech, SaaS, and service companies scale through clear strategy and disciplined execution.

Most growth initiatives fail because teams act before diagnosing the real constraints. I bring clarity to decisions, accountability, and process flow, then build an operating system your team will actually run, so growth is predictable and the business performs without constant oversight.

INSIGHTS

Thinking in Public

We share ideas on leadership, decision-making, and organisational clarity through writing and video. These are not tactics or quick wins, but reflections from real advisory work and lived leadership pressure.

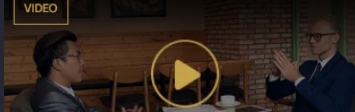

Leaders Stop Delegating and Start Deciding
